

**For Immediate Release**

Minden, ON. Friday, June 30, 2017  
5:00 pm  
Release #17-92

**SUBJECT: Water Conditions Update**

Water levels on the Gull River Watershed remain high due to continued precipitation and area lakes are at capacity including the Kawartha Lakes.

Levels are expected to rise with an anticipated 15 to 20 mm of rainfall in the next 24 hours.

Residents in low lying areas are asked to monitor their situation accordingly.

The Township will communicate all information by means of broadcasting media releases to local media, radio stations and the Township website.

For more information please visit [www.mindenhills.ca](http://www.mindenhills.ca) for accurate updates.
