TOWNSHIP OF MINDEN HILLS

Zoning By-law 06-10

Consolidated ~~April 27, 2017~~ March 31, 2008

Section 1 ADMINISTRATION AND INTERPRETATION

- 1.1 **TITLE:** This ~~by~~By-law shall be known as the ~~Zoning By-law of the Township of Minden Hills~~ "Township of Minden Hills Zoning By-law".
- 1.2 **APPLICATION:** This By-law applies and is enforceable with respect to the whole of the Township of Minden Hills. For the purposes of this By-law, the definitions and interpretations in this By-law shall govern unless the context requires otherwise.
- 1.3 **ZONE SCHEDULES AND FIGURES:** The zones and zone boundaries are shown on Schedules 1 to 25. Schedules 1 to 25 and Tables 1 to 4 are part of this By-law. The use of Figures are for illustration purposes only and are enclosed in the Bylaw to assist the reader in understanding and applying the By-law. These Figures, however, do not form part of the By-law and, as such, where there is a discrepancy between the wording of the By-law and the Figure, the By-law's wording shall take precedence.
- 1.4 **ADMINISTRATION:** This By-law shall be administered and enforced by any person, or persons, as may be appointed for such purpose by the Council of the Township from time to time.
- 1.5 **INTERPRETATION:** For the purposes of this By-law, words used in the present tense include the future; words used in the singular number include the plural and words in the plural include the singular number; the word "shall" is mandatory; the word "may" is permissive; the words "used" and "occupied" shall include the words "arranged" and "designed to be used or occupied".
- 1.6 **ZONE SYMBOLS:** ~~The Zone Symbols shown on the Schedules refer to the zone categories and the use of land, activities, buildings structures, and excavations permitted by this By-law~~ The Zone symbols used in this By-law and on the Schedules to this By-law refer to lots, buildings and structures and other parcels of land and to the use of lots, buildings and structures and other parcels of land permitted by this By-law.
- 1.7 **EXCEPTION ZONES:** Where a zone symbol on the attached schedules is followed by one or more numbers following the dash (-) symbol (for example SR-4), the numbers following the dash (-) symbol refer to subsections in Section ~~5.4~~3 (Exceptions to zones) of this By-law that apply to the lands noted.
- 1.8 **OVERLAY ZONES:** Notwithstanding any other provision of this By-law to the contrary, within the areas shown on the Schedules to this By-law as being within one or more Overlay Zones, the provisions of the Overlay Zone shall

additionally apply. In the event of conflict between an Overlay Zone and any other Zone, the more restrictive standards would apply.

4.71.9 TEMPORARY USE ZONES: Where on Schedules to this By-law, a zone symbol is preceded by the letter "T" and a dash, and followed by a number (for example T-3-RU), one or more additional uses are permitted on the lands noted until the permission granted by the Site Specific Temporary Use By-law expires. Table 5.3 identifies the Temporary Use Zones within the Municipality.

4.81.10 HOLDING PROVISIONS: Notwithstanding any other provision in this By-law, where a Zone symbol is followed by the letter (H), no person shall use the land to which the letter (H) applies for any use other than the use which existed on the date this By-law was passed or as provided for in Section 5.5 of this By-law, until the (H) is removed in accordance with the policies of the Official Plan and the Planning Act, as amended.

4.91.11 INTERPRETATION OF ZONE BOUNDARIES: Unless otherwise shown, the extent and boundary of each zone shown on the Schedules shall be a lot line, street line, centerline of street, or boundary of a registered plan.

Where the extent and boundary of any zone is uncertain, the following provisions shall apply:

- where a zone boundary is indicated as passing through undeveloped land, the location of such boundary shall be determined by scaling the distance on the applicable Schedule;
- where a zone boundary is indicated as following the corporate limits of the Township, such limits shall be the zone boundary; and,
- where a zone boundary is indicated as following a shoreline, then such zone boundary shall follow the high water mark.

4.101.12 ZONING OF ISLANDS: Islands without a specific zone symbol on the Schedules are zoned Open Space.

4.111.13 HEADINGS AND USE OF FIGURES: The headings of the Parts, Sections, Subsections and clauses of this By-law, including the Schedules, and the figures, appearing at various places throughout this By-law, have been inserted as a matter of convenience, for reference only, and in no way define, limit or enlarge the scope or meaning of this By-law or any of its provisions.

4.121.14 ROAD CLOSINGS: In the event that a dedicated street or road is closed, the property formerly within such street or road shall be included within the Zone of the adjoining property on either side of such closed street or road. Where a closed street or road is the boundary between two or more different Zones, the Zone boundary shall be the former centerline of the closed street or road.

4.131.15 SEVERABILITY: A decision of a court that any provision of this By-law are invalid in whole or in part does not affect the validity, effectiveness or enforceability of the other provisions or parts of the provisions of this By-law.

4.141.16 EFFECTIVE DATE: This By-law shall come into force in accordance with the provisions of the Planning Act.

4.151.17 REPEAL OF FORMER BY-LAWS: By-laws 86-26 (Anson, Hindon, Minden), 4-81 (Lutterworth) and 3/78 (Snowdon) and all amendments thereto are hereby repealed.

4.161.18 OBLIGATION: Nothing in this By-law shall relieve any person from the obligation to comply with the requirements or the Ontario Building Code Act, any other by-law of the Township of Minden Hills, or other County of Haliburton, provincial or federal legislation.

4.171.19 UNLAWFUL USES: Any use established in violation of a Zoning By-law predecessor of this By-law is deemed to have been established unlawfully.

4.181.20 INTERPRETATION OF ROADS AND ROAD ALLOWANCES: The Schedules to this By-law show the approximate location and status of road and road allowances. They have been inserted as a matter of convenience, for reference only, and in no way define, limit or enlarge the extent, ownership or scope of municipal ownership or maintenance of roads in the Township.

4.191.21 PREVIOUS COMMITTEE OF ADJUSTMENT DECISIONS: Any variance granted by the Township of Minden Hills Committee of Adjustment or the Ontario Municipal Board to any predecessor of this By-law shall be deemed to be a variance to this By-law.

Section 2 COMPLIANCE WITH THE BY-LAW

- 2.1 **COMPLIANCE:** No person shall change the use of any building, structure or land, or erect or use any building or structure, or occupy any land or building or create any lot except in conformity with the provisions of this By-law.
- 2.2 **REQUIREMENTS:** The provisions of this By-law shall be held to be the minimum requirement except where the word maximum is used, in which case the maximum requirement shall apply.
- 2.3 **CHANGE IN LOT SIZE:** No lot shall be changed in area, depth or width, either by the conveyance of land or otherwise, so that the lot coverage exceeds the maximum permitted by this By-law, or so that any existing or resulting lot area, dimension or yard will be less than the minimum permitted by the provisions of this By-law.
- 2.4 **CHANGE IN USE:** A use or occupation of land, building, structure, or excavation, or any activity in connection therewith which, under the provisions of this By-law, is not permissible within the Zone in which such land, building, or structure or excavation is located, shall not be changed except to a use or occupation which is permissible within such zone.
- 2.5 **PUBLIC ACQUISITION:** No person shall be deemed to have contravened any provision of this By-law by reason of the fact that any part or parts of any lot has or have been conveyed to or acquired by any Public Authority.
- 2.6 **BUILDING AND OTHER PERMITS:** No building permit or occupancy permit shall be issued where the proposed building, structure, excavation, use or activity would be in violation of any of the provisions of this By-law.
- 2.7 **ENFORCEMENT:** ~~Any person who contravenes this By-law is guilty of an offence and on conviction is liable to a penalty in accordance with the Planning Act. Every person or corporation that contravenes any of the provisions of this By-law is guilty of an offence and on conviction is liable:~~

2.7.1 In the event of a person:

- i) on a first conviction to a fine of not more than \$25,000.00; and
- ii) on a subsequent conviction to a fine of not more than \$10,000.00 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.

2.7.2 In the event of a Corporation

- i) on a first conviction a fine of not more than \$50,000.00; and
- ii) on a subsequent conviction a fine of not more than \$25,000.00 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted.

Section 4 GENERAL PROVISIONS

Unless specifically exempted or regulated elsewhere in this By-law, the following regulations apply to all lands covered by this By-law.

4.1 **ACCESSORY BUILDINGS, STRUCTURES AND USES**

4.1.1 **Permitted Uses:** Where this By-law provides that a lot may be used or a building or structure may be erected or used for a purpose, that purpose shall include any detached accessory building or structure or accessory use, located on the same lot as the primary use to which they are related.

4.1.2 **Uses Permitted in detached accessory buildings and structures:** No detached accessory building or structure shall be used for human habitation or an occupation for gain, unless specifically permitted in this By-law.

4.1.3 **Relation to Street and Location on Lot**

a) **Residential Zones:** An accessory building or structure which is not part of the principal building shall not be erected
a) in any of the required yards or
b) closer to the street line than the principal building on the lot, unless specifically provided for elsewhere in this By-law.

b) **Non-Residential Zones:** No accessory building or structure shall be erected
a) closer to the street line than the minimum required yard requirements of the respective Non-Residential Zone ~~and shall not be erected~~
a)b) closer to a side or rear lot line; or, unless specifically except as provided for elsewhere in this By-law.

4.1.4 **Relation to Principal Building:** No ~~detached~~ accessory building or structure ~~that is not part of the principal building~~ shall be erected closer than 1.5 metres to the principal building, unless specifically provided for elsewhere in this By-law.

4.1.5 **Principal Building to be Erected First:** No accessory building or structure shall be erected on any lot until the principal building has been erected, with the exception of:

- a dock on a lot accessible only by water;
- temporary construction uses; or,
- a septic system.

4.1.6 **Building Height:** The height of any accessory building or structure located greater than 30 metres from the high water mark, shall not exceed 4.56 metres and shall not be more than twoone (21) storeys in height. Where an accessory building or structure is located within 30 metres from the high water mark such building or structure shall not exceed 3.5 metres and shall not be more than one (1) storey in height, and provided all other sections of this By-law are complied with.

4.1.7 **Exceptions to Height:** The following accessory structures may exceed the height requirements permitted within the Zone in which they are located:

- a grain elevator,
- a barn or silo,
- a church spire,
- a belfry,
- a flag pole,
- a chimney,
- a clock tower,
- a communication tower,
- a water tank,
- a radio or television tower or antenna,
- an air conditioner duct, and
- external equipment associated with internal building equipment, located in the Rural (RU) Zone.

4.1.8 **Coverage:** The maximum lot coverage of all detached accessory buildings and structures, except swimming pools and septic tile fields, is five percent (5%) of the lot area. Within an Industrial Zone, the maximum lot coverage of all accessory buildings or structures is ten percent (10%) of the lot area. This coverage is within the total coverage noted in Tables 2 and 4.

4.1.9 **Shore Road Allowance:** No new detached building or structure, with the exception of a means of pedestrian access, a deck, a dock or a pumphouse, shall be erected on a shore road allowance that is owned by the Township or the Crown. Where a structure is erected on a shore road allowance that is owned by the Township or the Crown, such structure shall be deemed to be an accessory use to the principal use located on the adjacent patented lot.

4.1.10 **Accessory Structure Encroachments**

- a) **General:** Drop awnings, clothes poles, flag poles, garden trellises, retaining walls, ~~fences,~~ or signs which comply with the By-laws of the Township, are permitted in any required yard.
- b) **Fire Escapes:** Unenclosed fire escapes, in which the stairs, steps and floor are latticed in such a manner that the proportion of voids to solids is not less than two to one and in which guards, consisting of handrails and the structural members necessary for their support, may project into any required yard a maximum distance of 1.2 metres ~~or 50% of the required yard,~~ whichever is the lesser.
- c) **Ornamental Structures:** Sills, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental structures may project into any required yard a maximum distance of 0.6 metres.
- d) **Unenclosed Porches, Balconies, Steps or Patios:** Unenclosed porches, balconies, steps and patios, ~~covered or uncovered,~~ may project into any required yard a maximum distance of 3.5 metres, provided such structure complies with the required side yard, ~~and provided that in the case of porches, steps or patios such uses are not more than 2.0 metres above finished grade.~~

- e) **Utility Sheds:** A utility shed may be erected and used in any required interior side or rear yard provided that it is not located closer than the required yard or 2.0 metres to the interior side or rear lot line, whichever is less.
- f) **Gatehouse or Information Kiosk:** In a non-residential zone, a gatehouse or information kiosk may be located in any required front or side yard, provided such structure shall not be erected closer than 3 metres to the front or side lot line.

4.1.11 **Garages:** A detached private garage may be erected and used in any required interior side or rear yard provided that it is no closer than the required yard or 2.0 metres to the interior side or rear lot line, whichever is less, except that common semi-detached garages may be centered on the mutual side lot line.

4.1.12 Shoreline Structures

- a) **Identification:** Shoreline structures refer to accessory buildings and structures erected at or near the shoreline in the required yard located between the shoreline and the ~~dwelling principal building~~. They include buildings and structures that are attached to the land that forms the bed of a navigable waterway.
- b) **Permitted Uses:** Shoreline structures include the following: deck, dock, gazebo, pumphouse, stairs and ramps, ~~and existing single storey accessory buildings and structures not otherwise prohibited in the zone in which it is located.~~

- ~~d) **Maximum Width of Shoreline Structures:** The maximum cumulative width of all shoreline structures shall not exceed 30% of the lot frontage to a maximum of 15 metres ~~of the shoreline.~~~~
- e) **d) Docking Facilities:** A dock may be erected and used in the required front yard of a lot abutting a watercourse provided it complies with the minimum required side yard of the zone, or the straight line projection of the side lot line into the water, and has a maximum projection into the water of 15 metres from the high water mark, with the exception of either:
 - a lot fronting upon dock projecting into a narrow watercourse, where the maximum projection shall be the lesser of 6 metres or 30% of the width of the narrow watercourse; or, and
 - where the 15 metre projection of a dock ends in a water depth of less than 1 metre (at low water), the dock may be extended until a water depth of 1 metre is achieved at the end of the dock. where the 15 metre projection of a dock ends in a water depth of less than 1 metre (at low water), the dock may be extended until a water depth of 1 metre is achieved at the end of the dock to a maximum projection of 25 metres

For the purposes of this Section, a narrow watercourse is a watercourse where the ~~general~~ distance measured perpendicularly from shoreline to shoreline is less than 30 metres.

Pump House: A pumphouse may be erected and used in the required front yard of a lot abutting a watercourse or shore road allowance provided it complies with the minimum required side yard. A pumphouse shall not exceed 2.5 square metres in total floor area nor be higher than 2 metres.

~~f)e)~~ **Gazebo and Outdoor Sauna:** A gazebo or outdoor sauna may be erected and used in the required front yard of a lot abutting a watercourse provided it is setback a minimum of 6 metres from a side lot line, does not have a total floor area greater than 9 square metres, and is located a minimum 10 metres from the high water mark.

4.1.13 Sleeping Cabin: A sleeping cabin may be erected on a lot in the Shoreline Residential (SR) Zone or the Rural (RU) Zone, provided:

a) A sleeping cabin shall either be a detached one storey building, or be located within a one or two storey accessory building provided that the sleeping cabin is entirely located on one storey. Where the sleeping cabin occupies part of a one storey accessory building, all other uses in the building shall be accessory, and the sleeping cabin shall be separated from any other uses by a common wall and shall have an independent entrance. Where the sleeping cabin is the second storey of a two storey accessory building the following additional provisions shall apply:

- o The second floor of a two storey accessory structure shall be restricted to a sleeping cabin.
- o The maximum floor area of the second storey of a two storey accessory building shall be restricted to 35 square metres measured from the exterior walls but excluding any area where the height between the top of the floor and the finished ceiling is less than 1.5 metres.
- o The total ground floor area of all open decks and balconies any part of which is attached to or within two metres of a two storey accessory building shall not exceed 15 square metres.

b) a maximum of one sleeping cabin is permitted on a lot;

c) the total floor area of such cabin does not exceed 35 square metres;

d) the height of a one storey sleeping cabin does not exceed 4.5 metres;

~~a) the sleeping~~ cabin complies with the yard and setback requirements of the Zone in which it is located and is not located to the front of the principal dwelling.

4.1.134.1.14 Outdoor Swimming Pool: An outdoor swimming pool is permitted as an accessory use within a side or rear yard provided it is not located closer than 3.0 metres to any lot line, and the coverage of the swimming pool does not exceed fifteen percent (15%) of the total lot area.

~~4.1.144.1.15~~ **Septic tile field:** A septic tile field is permitted as an accessory structure within any yard, provided it is not located closer than 30 metres from the shoreline.

~~4.2~~ **ASPHALT PLANT, PORTABLE:** Where specifically permitted in this By-law, a portable asphalt plant shall be used by or on behalf of a public authority.

~~4.3~~ **BOATHOUSES AND BOATPORTS:** ~~No person shall use land adjacent to or on a waterway for the purpose of a boathouse or boatport.~~

~~4.24.4~~ **CONSTRUCTION USES (TEMPORARY):** A tool shed, construction trailer, scaffold, or any other structure incidental to construction, is permitted where construction work is in progress, and until the work is completed or abandoned. For the purposes of this section “abandoned” means the failure to proceed expeditiously with the construction work or the revocation of the building permit.

~~4.34.5~~ **DWELLING UNIT:** Unless otherwise specified in this By-law, no more than one dwelling unit is permitted on a lot.

07-043 ~~4.44.6~~ **DWELLING UNIT BELOW GRADE** [deleted by By-law 07-043]

~~4.54.7~~ **ESTABLISHED BUILDING LINE:** Where a permitted dwelling is to be erected on a lot and where there is an established building line extending along a public ~~road~~street on both sides of the lot, such ~~permitted~~ dwelling may be erected closer to the street line than required by this By-law such that the yard is equal to the average setback of the adjacent dwellings on either side of the lot and located on the same side of the street.

~~4.64.8~~ **EXISTING BUILDINGS, STRUCTURES AND USES**

~~4.6.14.8.1~~ **Continuation of Existing Uses:** The provisions of this By-law shall not apply to prevent the use of any land, building or structure for any purpose prohibited by this By-law if such land, building, or structure was lawfully used for such purpose on the date of passing of this By-law so long as it continues to be used for that purpose.

~~4.6.24.8.2~~ **Prohibited Exterior Extension:** The exterior of any building or structure, which at the date of passing of this By-law was lawfully used for a purpose prohibited by this By-law, shall not be enlarged, extended, reconstructed, or otherwise structurally altered, unless such building or structure is to be used for a purpose permitted within such Zone, and complies with all requirements of this By-law for such Zone.

~~4.6.34.8.3~~ **Restoration to a Safe Condition:** Nothing in this By-law, including the preceding subsection 4.7.2, shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof lawfully used on the date of passing of this By-law, for any purpose prohibited by this By-law, provided that the strengthening or restoration does not increase the height, size, or volume, or change the use of such building or structure.

~~4.8.4~~ **Permitted Non-Complying Building or Structure:** ~~Nothing in this By-law shall prevent the reconstruction, relocation, renovation or repair of an existing legal~~

~~non-complying building or structure on a lot provided such enlargement, reconstruction, relocation, renovation or repair does not increase the extent of non-compliance by: A legal non-complying building or structure may not be reconstructed, relocated, renovated or repaired unless the building or structure is greater than 15 metres from the high water mark and provided such reconstruction, relocation, renovation or repair:~~

- ~~i) Does not increase the extent of non-compliance, or create a new non-compliance issue; and,~~
- ~~ii) Do not increase the height of the building or structure by more than 1.2 metres; and,~~
- ~~iii) Does not increase the ground floor area of the building or structure by greater than 25%,
 - ~~i) provided the building or structure is greater than 15 metres from the high water mark~~
 - ~~ii) —~~
 - ~~iii) — increasing the lot coverage if the existing buildings or structures exceed the permitted lot coverage;~~
 - ~~iv) — reducing the yard between a lot line and the existing building or structure if the existing yard is less than the required yard except that such yard may be reduced so long as the distance between any high water mark and the nearest part of any such building or structure is a minimum of 15 metres;~~
 - ~~v) — increasing the height of the building or structure by no more than 1.2 metres;~~
 - ~~vi) — reducing the gross floor area of the existing building or structure if the existing gross floor area is less than the minimum permitted in this By-law; or~~
 - ~~vii) iv) — increasing the coverage of the legally non-complying building or structure by more than 25%.~~~~

~~4.6.44.8.5~~ **Floor Area Less Than Required:** Nothing in this By-law shall prevent an extension or an addition being made to a dwelling, that was lawfully used for such purpose on the date of passing of this By-law but which has ~~a gross floor area or~~ dwelling unit area less than required by this By-law, provided such extension or addition does not contravene any other provision of this By-law.

~~4.6.54.8.6~~ **Building Permit Issued:** The provisions of this By-law shall not apply to prevent the erection or use of any building or structure, for a purpose prohibited by this By-law, for which a permit has been issued pursuant to The Building Code Act prior to the date of passing of this By-law, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was erected, provided further that the permit has not been revoked pursuant to The Building Code Act.

4.74.9 **EXISTING LOTS**

~~4.7.14.9.1~~ **Existing Undersized Lots:** Notwithstanding the frontage and area provisions of this By-law, where a lot having a lesser lot area and/or frontage than required in this By-law is:

07-043

- i) held under distinct and separate ownership from an abutting lot or lots as shown by a conveyance of title properly registered prior to the date of passing of this By-law, or,
- ii) created as a result of an expropriation or highway widening, or
- iii) a lot on an existing plan of subdivision that has not been deemed, and where a vacant lot in a Shoreline Residential Zone has a lot area not less than 1,400 square metres and/or a lot frontage not less than 30 metres, such lot may be used and a building or structure may be erected, altered or used on such smaller lot, provided that all other applicable provisions of this By-law are complied with.

4.7.24.9.2 Enlargement of Existing Lots: Where lands are added to an existing undersized lot, the resulting lot shall be deemed to comply with the minimum lot frontage and area requirements of this By-law, and may be used for a purpose permitted in the Zone in which such lot is located, provided that all other applicable provisions of this By-law are complied with. If applicable, any building located on such enlarged lot shall continue to be subject to the provisions of Section 4.8.1.

4.8.4.10 FRONTAGE REQUIREMENTS

4.8.14.10.1 Public Street: No person shall erect any building or structure, unless the lot upon which such building or structure is to be erected fronts upon and is directly accessible from an ~~improved public road-street, maintained year-round.~~

4.8.24.10.2 Unassumed Road: The provisions of this By-law shall not apply to prevent the erection of a permitted building or structure on a lot in a Registered Plan of Subdivision where a properly executed subdivision agreement has been entered into with the Township where the street or streets will not be assumed by the Township until such time as specified in the agreement.

4.8.34.10.3 Private Right-of-Way or Navigable Waterway:

- a) Where a lot that existed prior to the passage of this By-law is accessible by means of a Private Road, Seasonal Township Road or Forest Access Road as shown on Schedule 26, ~~attached hereto, or;~~ a registered private right-of-way or easement that has been legally established to permit vehicular access; or, an unopened road allowance on which a road has been constructed in accordance with policies established by the Township, the provisions of this By-law shall not apply to prevent the use of land or the construction of a building or structure, provided the use, building or structure is compliant with all other provisions of this By-law.
- b) Where a building or structure was lawfully used for a purpose permitted within the Zone in which it is located, as of the date of passing of this By-law, and where such building or structure is only accessible by means of a private right-of-way providing ingress and egress to a public street or road allowance, the provisions of this By-law shall not apply to prohibit the extension, enlargement, renovation or reconstruction of such structure provided such

extension enlargement, renovation or reconstruction does not contravene any other provision of this By-law.

c) Notwithstanding the provisions of this Section and Section 4.21 to the contrary, within the Shoreline Residential (SR) Zone where a lot is accessible by means of a navigable waterway only, the erection, alteration of or use of a building or structure for a use permitted in the Shoreline Residential (SR) Zone, is permitted ~~and the lot shall not be required to provide parking facilities.~~ For the purposes of this by-law, where a lot fronts upon a shore road or marine allowance, the lot shall be deemed to front upon and be accessible from a navigable waterway.

~~d) Notwithstanding the provisions of this Section to the contrary, within the Rural (RU) Zone, the provisions of this By-law shall not apply to prohibit the erection, alteration or use of a hunt camp on Crown land.~~

Notes: (1) In the case of a single detached dwelling, the required parking spaces may be provided by means of tandem parking

4.24.2 Calculation of Parking: Where the minimum number of parking spaces is calculated on the basis of a rate or ration, the required number of spaces shall be rounded to the next higher whole number

~~4.19.24.24.3 More than One Use on a Lot: Where a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use. Where there are two (2) or more uses in any building or on any lot, including accessory uses, the required parking shall be the sum total of the parking requirements for each of the component uses~~

4.24.4 Parking Based On Occupancy: Where parking space requirement establishes the required parking in relationship to the number of persons that may be legally accommodated at any one time, such number shall be calculated in accordance with the Ontario Building Code, as amended.

4.24.5 Parking Area Surface: Parking space areas and driveways connecting the parking space or area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust. Such parking spaces or areas shall be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

4.24.6 Size of Parking Spaces and Aisles: Parking spaces shall have a minimum width of 2.7 metres and a minimum length of 5.8 metres. The width of the adjacent aisle shall be in accordance with Table 5.1:

Where parking spaces are provided in a surface parking area, each parking space shall have a width of not less than 2.75 metres and a length of not less than 6.0 metres, with the exception of a barrier-free parking space which shall have a width of not less than 3.7 metres and a length of not less than 6.0 metres.

Where parking spaces are provided in an enclosed or underground parking garage, such parking spaces shall have a width of not less than 2.6 metres and a length of not less than 5.8 metres

The minimum width of an aisle providing access to a parking space within a parking area shall be 6.0 metres, except in the case of angled off-street parking accessed by a one-way aisle, which shall be a minimum width of 4.5 metres.

4.24.7 Designated Accessible Parking: Designated accessible parking spaces shall be provided in accordance with the Accessible Parking Space Requirements Table and subject to the following provisions. The provision of accessible parking spaces shall be included as part of the total calculation of parking spaces required for any lot, building or use.

Designated Accessible Parking Requirement Table	
<u>Total number of parking spaces required</u>	<u>Number of designated accessible parking spaces</u>

<u>4-10</u>	<u>1</u>
<u>11-20</u>	<u>2</u>
<u>21-50</u>	<u>3</u>
<u>51-75</u>	<u>4</u>
<u>76-100</u>	<u>5</u>
<u>100-200</u>	<u>6</u>
<u>More than 200</u>	<u>1 additional space for each additional 100 spaces</u>

A designated accessible parking space for motor vehicles shall be a minimum of 3.5 metres wide that includes an adjacent 1.75 metre wide aisle that is hatch marked on the parking lot.

The minimum length of a designated accessible parking space for motor vehicles shall be 6 metres (19.7 ft). 4.4.3 Two designated accessible parking spaces may share a single 1.5 metre (4.9 ft.) wide hatched aisle.

Designated accessible parking spaces shall have a firm, level surface. If the required number of parking spaces is reduced to accommodate designated accessible parking, this does not create a non-compliance with respect to Section 4.2.1.

Designated accessible parking spaces shall be located as near as possible to the main entrance, and in no circumstance be located greater than 30 metres (98.4 ft.) of an entrance.

4.19.34.24.8 Ingress and Egress Provisions:

- a) Ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways at least 3 metres but not more than 9 metres in perpendicular width.
- b) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9 metres.
- c) The minimum distance between any two driveways on a lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 9 metres.
- d) The minimum angle of intersection between a driveway and a street line shall be 60 degrees. Every lot shall be limited to the following number of driveways:
 - i. Up to the first 15 metres of lot frontage, not more than one driveway; and,
 - ii. Greater than 15 metres of lot frontage, not more than two driveways with a combined width not exceeding thirty percent (30%) of the lot frontage.

4.19.44.24.9 Ingress and Egress Regulations - Retail Gasoline Establishments:

The following provisions shall apply to ingress and egress driveways established in conjunction with a motor vehicle dealership or motor vehicle service station, where gasoline is offered or kept for sale at retail: the maximum width of a

driveway measured along the street line shall be 9 metres; the minimum distance between driveways, measured along the street line intersected by such driveway shall be 9 metres; the minimum distance between a driveway and an intersection of street lines, measured along the street line intersected by such driveway shall be 9 metres; the minimum distance between an interior side lot line and any driveway shall be 3 metres; and, the interior angle formed between the street line and the centerline of any driveway shall not be less than 45 degrees.

~~4.19.54.24.10 **More than One Use on a Lot:** Where a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.~~

4.19.64.24.11 Parking Area Location on a Lot: Parking areas, inclusive of driveways, shall be permitted in the required yards in accordance with the following provisions:

- a) In all Zones, except Residential Zones, no driveway shall be permitted within 9.0 metres of the boundary of a Residential Zone;
- b) In all Zones, except Residential Zones, no parking space shall be permitted within 3.0 metres of the boundary of a Residential Zone;
- c) Within all Residential Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than 2 metres to any street line or within a sight triangle;
- d) Within the Rural, Open Space, Community Facility and all Commercial Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than one metre to any street line or within a sight triangle;
- e) Within all Industrial Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than 2 metres to any street line or within a sight triangle;
- f) ~~Within a Shoreline Residential Zone~~ Notwithstanding the provisions of this Section to the contrary, within the Shoreline Residential (SR) Zone, no parking space shall be permitted in the front yard.

4.19.74.24.12 Additions to or Change in Use of Building(s): The parking space requirements referred to herein shall not apply to any building or structure in existence at the date of passing of this By-law so long as the gross floor area, as it existed as-at such date, is not increased. If an addition is made to the building or structure that increases the gross floor area, then parking spaces for the addition shall be provided as required in the Parking Space Requirements Table. Where a change in use of the building or structure occurs, parking spaces shall be provided in accordance with the Parking Space Requirement Table.

4.19.84.24.13 Use of Parking Space(s) and Area(s): Parking spaces and areas shall be used for the parking of operative, currently licensed vehicles only, and for

vehicles used in operations incidental to the permitted uses in respect of which such parking spaces and areas are required or permitted. Notwithstanding the foregoing, within any Residential Zone, the owner or occupant may use a parking space for the purposes of the parking or storage of one currently licensed commercial motor vehicle ~~as defined in The Highway Traffic Act.~~

4.204.25 PITS AND/OR QUARRIES: The making or establishing of pits and/or quarries is prohibited except in accordance with the express provisions of this By-law. No person shall use land or erect any building or structure for the purpose of processing, washing, sorting, screening or crushing rock, sand or gravel in any locations, except as expressly provided for in this By-law.

4.214.26 PLANTING STRIP REGULATIONS

4.21.14.26.1 Location: Where the interior side or rear lot line, or portion thereof, in a Community Facility, Commercial or Industrial Zone abuts a Residential Zone, a planting strip shall be provided on the lot within the Community Facility, Commercial or Industrial Zone with a minimum width of 6 metres.

4.21.24.26.2 Contents: Any required planting strip shall consist of a row of trees or a continuous hedgerow of evergreens or shrubs, not less than 2 metres high at planting, immediately adjacent to the lot line or portion thereof along which such planting strip is required hereunder. The remainder of the strip shall be used for no other purpose than the planting of shrubs, flowerbeds, grass or a combination thereof.

4.21.34.26.3 Interruption for Driveways or Pedestrian Walks: In all cases where ingress and egress driveways or walks extend through a planting strip, it shall be permissible to interrupt the strip within 3 metres of the edge of such driveway or within 1.5 metres of the edge of such walk.

4.21.44.26.4 Maintenance: Where a planting strip is required, it shall be planted, nurtured and maintained by the owner(s) of the lot on which the strip is located.

4.21.54.26.5 Landscaped Open Space Supplement: A planting strip referred to in this subsection may form a part of any landscaped open space required by this By-law.

4.224.27 PROHIBITED USES

4.22.14.27.1 The following uses are prohibited in any Zone:

- The use of any trailer for human habitation, except where such trailer is located in a permitted camping establishment or in a trailer park.
- The use of any motor vehicle, truck, bus or coach body for human habitation.
- The use of any accessory building or structure for human habitation, with the exception of a sleeping cabin.
- The storage of disused rail cars, streetcars, truck bodies or trailers without wheels.
- Permanent asphalt plants.

- The parking or storage of trailers or commercial motor vehicles on a vacant lot, except where specifically permitted elsewhere in this By-law.
- The outdoor storage of partially dismantled motor vehicles or trailers or motor vehicle or trailer parts, except where specifically permitted elsewhere in this By-law.
- Obnoxious uses.
- The manufacturing, refining, rendering or distillation of acid, ammonia, chlorine, coal, creosote, explosives, fireworks, glue, petroleum or tar.
- The bulk storage of industrial chemicals, hazardous waste or liquid industrial waste as defined under the Environmental Protection Act, as amended.

4.234.28 PUBLIC USES

4.23-14.28.1 **Public Services:** The provisions of this By-law shall not apply to prohibit the use of any land, or the erection or use of any building or structure, for the purposes of public service provided by a Public Authority. For the purpose of this Section, a Public Authority shall include any hydro, natural gas, telephone, telegraph, or cable television company, which company possesses the necessary powers, rights, licenses, and franchises.

4.23-24.28.2 **Location Restrictions:** Notwithstanding Section 4.25.1, where a public use is specifically listed as a permitted use in a zone on Tables 1 and 3, such use shall only be carried out in that specific zone or zones.

4.23-34.28.3 **Provisions:** Where a use conducted by a Public Authority is not restricted to a specific Zone, no land, building or structure is to be used for public use in any residential zone unless the following provisions are complied with:

- a) Minimum yard requirement (all yards): 10 metres
- b) Maximum Lot coverage (all buildings): 40%
- c) Minimum Landscaped Open Space: 30 percent
- d) Maximum Height of Buildings: 10 metres
- e) No goods, materials or equipment shall be stored outside the building or structure located on the lot, except as may otherwise be permitted under this By-law
- f) No building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office or maintenance or works depot.

4.23-44.28.4 **Streets and Installations:** Nothing in this By-law shall prevent land to be used as a street or prevent the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline, street lighting, overhead or underground hydro, communication line or high voltage and extra high voltage electrical facilities owned, operated and maintained by a hydro company, provided the location of such main or line has been approved by the Township. Notwithstanding the generality of the foregoing, this approval shall not be required for any public use

that has received prior approval pursuant to the provisions of The Environmental Assessment Act, as amended.

4.29 RGHT-OF-WAY / LANE AS A YARD: No building may be erected or used within 3 m (10 ft.) of a private right-of-way or private road where such rightof-way does not form part of a lot line.

4.30 REDUCTION OF REQUIREMENTS: No person shall change the purpose for which any lot or building is used or erect any building, structure, or addition to any existing building or structure, or sever any lands from any existing lot, if the effect of such action is to cause the original, adjoining, remaining or new building or lot to be in contravention of this By-law.

4.244.31 SIGHT TRIANGLES: On a corner lot, within the triangular space formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 9.0 metres measured along the street line from the point of intersection of the street lines, no motor vehicle, as defined in the Highway Traffic Act, shall be parked, no building or structure which would obstruct the vision of drivers of motor vehicles shall be erected, and, no land shall be used for the purposes of growing shrubs or trees in excess of 0.6 metres in height. Such triangular space shall be referred to as a "sight triangle". Where the street lines do not intersect at a point, the point of intersection of the street line shall be deemed to be the intersection of the projection of the street lines of the intersection of the tangents to the street lines.

4.254.32 SIGNS: The provisions of this By-law shall not apply to prevent the erection, alteration or use of any sign provided such sign complies with the By-law of the Township regulating signs.

4.33 SPECIAL PROVISIONS – CROWN LANDS: Within the Rural (RU) Zone, where lands are held under the tenure of the Crown, the provisions of this By-law shall not apply to Crown Land uses or uses of Crown lands as may be authorized by the Crown.

4.264.34 Special Regulations – Cabin, Cottage or Resort Establishments in a Recreational Commercial (C3) Zone ~~Resort Establishments~~

- Minimum Distance Between Cabins or Cottages on Same Lot 4 metres

4.274.35 Special Regulations – Camping Establishment or Private Camp in a Recreational Commercial (C3) Zone ~~Recreational Institutions~~

- a) Minimum Lot Area Requirement 4 hectares
- b) Minimum Lot Frontage Requirement 60 metres
- c) Minimum Campsite Area Requirements 200 sq. metres
- d) Minimum Campsite Frontage Requirement (on an internal roadway) 12 metres
- e) Minimum Distance Between Campsites 2 metres

- f) Maximum Density of Campsites
Maximum density of campsites shall not exceed 15 sites per 4,050 sq. metres, exclusive of lands used for ingress and egress.

4.284.36

4.294.37 **SPECIAL SETBACK REQUIREMENTS FROM A WATERCOURSE:**

07-043

Notwithstanding the yard provisions of this By-law to the contrary, where a watercourse runs through a lot, no building or structure shall be erected within 15 metres of the existing high water mark of such watercourse.

4.304.38 **SPECIAL YARD REQUIREMENTS FOR THROUGH LOTS:** Where a lot is a through lot, the front yard requirements shall apply on each street or watercourse or waterbody, as the case may be, in accordance with the provisions of the Zone(s) in which such lot is located.

4.314.39 **TRAILER OR MOBILE HOME PARKS:** The establishment of a trailer park or mobile home park is prohibited in any Zone, save and except where such parks are specifically permitted by this By-law. The use of any trailer or recreational vehicle for human habitation is prohibited except where such trailer or recreational vehicle is located in a camping establishment or in a trailer park.

4.324.40 **TRUCK, BUS, COACH BODIES AND DERELICT VEHICLES:** No truck, bus, coach, trailer or streetcar body, or structure of any kind, other than a dwelling unit erected and used in accordance with this By-law, The Building Code and Regulations passed there under and all other By-laws of the Township, shall be used for human habitation or storage of goods and materials whether or not the same is mounted on wheels. The provisions of this By-law shall not apply to prohibit the outside storage of a maximum of two derelict motor vehicles within the Rural (RU) Zone nor the outside storage of contractors equipment, whether currently licensed or inoperative, provided the applicable provisions regarding outside storage are complied with and further that such use is accessory to the principal permitted use on the lot.

4.334.41 **WAYSIDE PITS AND QUARRIES:** Where specifically permitted in the By-law, a portable asphalt plant shall be subject to the following provisions: the wayside pit or quarry shall be used by or on behalf of a Public Authority; the wayside pit or quarry shall have a Certificate of Approval from the Ministry of Environment and Energy or its designate; the wayside pit or quarry shall not be located closer than 300 metres from an existing residence; and, upon completion of the public project, the site shall be rehabilitated to its former use.

4.344.42 **ZONING OF ISLANDS AND LANDS COVERED BY WATER**

07-043

4.34.14.42.1 All lands covered by water are zoned Open Space (OS). A dock is the only permitted use and only where it is accessory to a permitted use on the adjoining lot above the high water mark and provided it complies with the applicable zone requirements for the adjoining lot.

4.34.24.42.2 Where an island is not labelled with a Zone Symbol on the Schedules to this By-law, such island is deemed to be zoned Open Space (OS).

~~5.2.35.3.3 Flood Risk (FR) Zone Overlay (Schedule 25)~~

~~5.2.3.15.3.3.1 Permitted Uses:~~ On Schedule 25, where a FR (Flood Risk) symbol is shown in association with another zone, no person shall within a Flood Risk (FR) Zone use any land or erect, alter or use any building or structure except for a purpose permitted in accordance with the following:

- a) Flood Proofing Requirements

Where a building or structure is permitted, no person shall erect any new building or structure or enlarge, extend, reconstruct or renovate a permitted building or structure except in accordance with the following provisions, namely:

- i. that the building or structure, inclusive of the enlargement, extension, reconstruction or renovation of an existing permitted

building or structure, be designed to withstand the hydrostatic and hydraulic forces resulting from flooding;

- ii. that the composition and strength of all structural materials used in the erection of a new building or structure of the extension, enlargement, reconstruction or renovation of an existing building or structure not be susceptible to deterioration as a result of flooding;
- iii. that the minimum elevation of all doors, windows or other exterior openings not be less than the minimum elevation for flood proofing as specified in brackets following the Flood Risk Zone symbol, which elevations are in metres based upon the Geodetic Survey of Canada and the Flood Risk Mapping for the Gull River; and,
- iv. that all measures for flood proofing shall be completed in accordance with the standards and regulations established in the Building By-law of the Township, the Ontario Building Code Act, and, the requirements of the Ministry of Natural Resources.

b) Exceptions

The provisions set forth in Section (a), above, shall not apply to any accessory building or structure except where such accessory building or structure is designed or intended for human habitation.

c) Other Zone Provisions
