Release #17-06

**SUBJECT: Road Closure – Soyers Lake Road**

Please be advised that Soyers Lake Road is **CLOSED** until further notice, due to flooding. Signs and Barricades have been placed at the intersections of Blairhampton Road and Alexander Road. Open to local traffic only.

Residents are asked to avoid driving on any roadways that are underwater, as road conditions may be unstable and dangerous.

A reminder that private roads are not being monitored by the Township and those residents needing to access these roads should do so with caution.

The public is reminded to use caution around area lakes, rivers, creeks and other water sources such as ditches, as high water levels and swift currents can create unstable conditions.

Please refer to the “Newsroom” or the **NEW! Road Closure App** on the homepage of the Township’s website for information on road closures and important updates at [www.minden hills.ca](http://www.minden hills.ca).

Staff will continue to monitor the municipal roads accordingly and post updates as required.
