

**For Immediate Release**

Minden, ON. Wednesday May 3, 2017

10:00 am

Release #17-13

**SUBJECT: UPDATE: Road Closures – Devil’s Lake, Milburn, Soyers Lake & Bobcaygeon Roads**

Please be advised that Devils Lake Road, previously closed due to flooding has been reopened.

The following roads remain **CLOSED** until further notice, due to flooding:

**Milburn**

**Road:** Closed at the intersections of Gelert Road (County Road 1) and County Road 503. Open to local traffic only.

**Soyers**

**Lake Road:** Closed at the intersections of Blairhampton Road and Alexander Road. Open to local traffic only.

Signs and Barricades have been placed at the intersections noted above for each road closure.

A reminder that **Bobcaygeon Road** continues to be **CLOSED** until further notice, due to a culvert washout. Signs and Barricades have been placed at the intersections of Plantation Road and Highway 118.

Residents are asked to avoid driving on any roadways that are underwater, as road conditions may be unstable and dangerous.

A reminder that private roads are not being monitored by the Township and those residents needing to access these roads should do so with caution.

The public is reminded to use caution around area lakes, rivers, creeks and other water sources such as ditches, as high water levels and swift currents can create unstable conditions.

Please refer to the “Newsroom” or the **[NEW! Road Closure App](#)** on the homepage of the Township’s website for information on road closures and important updates at [www.mindenhills.ca](http://www.mindenhills.ca).

Staff will continue to monitor the municipal roads accordingly and post updates as required.
