

Enhancing Public Health and Workplace Safety Measures in the Provincewide Shutdown

January 12, 2021

The information contained in this document is intended to communicate a summary of information about measures proposed to come into effect in Ontario or in areas of Ontario between Tuesday January 12, 2021 and Thursday, January 14, 2021. The material is not legal advice and does not purport to be or to provide an interpretation of the law. In the event of any conflict or difference between this summary information and any applicable legislation or regulation, the legislation or regulation prevails.

New updates as of January 12, 2021 in red.

Context: Enhancing Public Health and Workplace Safety Measures in the Provincewide Shutdown

- COVID-19 morbidity (illness) and mortality (death) are at the highest levels since the start of the pandemic.
- Growth in COVID-19 cases has accelerated and is over 7% on the worst days.
- Daily mortality is increasing under current restrictions and is projected to double from 50 to 100 deaths per day between now and end of February.
- Escalating case counts have led to increasing hospitalization rates and ICU occupancy which has resulted in further disruptions to scheduled surgeries and procedures. ICU occupancy is now over 400 beds and is projected to be approximately 500 beds by mid-January/approximately 1,000 beds by early February in more severe, but realistic scenarios.
- Despite restrictions, a substantial minority of people in high-rate regions are acting in a way that will increase COVID-19 transmission.
- Urgent action is required to significantly reduce the number of contacts people are having, in order to:
 - Prevent extensive illness and death
 - Protect our health care system; and
 - Resume in-person learning in schools.

Overview

Declaring a provincial emergency

Restricting mobility

Reducing outdoor gathering limits

Closing additional workplaces and introducing mitigation measures for those that remain open

Increasing enforcement

Overview: Timing and Geographical Application

When do the enhanced measures in the Provincewide Shutdown start?	Where, and how long, are the Provincewide Shutdown measures in effect?
<p>There will be a combination of measures that come into effect between Tuesday January 12, 2021 and Thursday, January 14, 2021, including a provincial declaration of emergency under the <i>Emergency Management and Civil Protection Act</i>, orders under that Act, and amendments to regulations under the <i>Reopening Ontario (A Flexible Response to COVID-19) Act, 2020</i>.</p>	<p>The enhanced public health and workplace safety measures are in effect for all of Ontario and are anticipated to be in place until at least Thursday, February 11, 2021.</p>

Emergency Management and Civil Protection Act

- The Ontario government is declaring a second provincial emergency in response to COVID-19 under the *Emergency Management and Civil Protection Act* (EMCPA) to ensure that necessary measures and restrictions can be put in place to keep Ontarians safe and immediately respond to the ongoing threat of COVID-19.
- A declaration of emergency automatically terminates 14 days after being made unless terminated earlier or extended. The province will monitor key public health indicators to determine whether or not to extend the emergency.
- A declaration of a provincial emergency allows the government to make new emergency orders under the EMCPA if the orders meet the legal test for necessity and other criteria.
- Orders will also continue under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020* (ROA) with updates to the stage orders, along with enforcement.

EMCPA Enforcement Supports

- Under the provincial emergency, the following enhanced enforcement authorities will be in place:
 - **All provincial offences officers, including police officers, will have the authority to disperse crowds indoors as well as outdoors. For example, when a group of more than five people who are not from the same household are gathering outdoors, they can be required to leave and the premise may be closed.**
 - **Similar to the provision under ROA, individuals have a duty to identify when a police officer has reasonable and probable grounds that an offence under EMCPA has been committed.**
- **Additionally, enforcement personnel** will have the **authority to issue tickets** to individuals, employees and corporations in retail settings and businesses if found not complying with an order (e.g. staff member or customer not wearing a face covering.)

**General Public Health and
Workplace Safety Measures for
all Businesses, Organizations
and Facilities and Individuals**

(UPDATED) General Public Health Measures for all Businesses, Organizations and Facilities

Public Health Advice, Recommendations and Instructions

Businesses or organizations must operate in compliance with the advice, recommendations, and instructions of public health officials, including any advice, recommendations or instructions on physical distancing, cleaning or disinfecting, and working remotely. Check with your local public health unit for any additional advice, recommendations or instructions.

Work from Home Except Where Necessary

Each person responsible for a business or organization that is open shall ensure that any person who performs work for the business or organization conducts their work remotely, with limited exception, for instance, where the nature of their work requires them to be on-site at the workplace.

Physical Distancing and Line Management

- Businesses or places must not permit patrons to line up inside the businesses or place, or to line up or congregate outside of the business or place unless they are maintaining a physical distance of at least two metres from other groups of persons and wearing a mask or face covering that covers their mouth, nose and chin unless they are entitled to an exception set out in the regulation.

Screening

Businesses or organizations must operate in compliance with the advice, recommendations instructions issued by the Office of the Chief Medical Officer of Health on screening individuals. This includes:

- Workplaces must screen any workers or essential visitors entering the work environment. See the [COVID-19 Screening Tool for Workplaces](#) for more information.

Personal Protective Equipment including Eye Protection

Personal protective equipment that provides protection of the eyes, nose, and mouth, is required if a worker is required to come within 2 metres of another person who is not wearing a face covering and not separated by plexiglass or some other impermeable barrier.

Capacity Limits

All businesses or facilities must limit capacity so that every member of the public is able to maintain two metres of physical distancing from every other person, and limit the number of people occupying any room that is open to the public to 50% capacity of the particular room. Some businesses or facilities have additional capacity restrictions that apply beyond the general capacity requirements.

All businesses or facilities that engage in retail sales to the public must post a sign in a location visible to the public that states the maximum capacity they are permitted to operate under.

Please Note:

- The maximum number of persons permitted in a business or facility that is operating at 50 per cent capacity is determined by taking the **total square metres** of floor space accessible to the public in the business or facility, not including shelving and store fixtures, dividing that number by 8 and rounding the result down to the nearest whole number.
- The maximum number of persons permitted in a business or facility that is operating at 25 per cent capacity is determined by taking the **total square metres** of floor space accessible to the public in the business or facility, not including shelving and store fixtures, dividing that number by 16 and rounding the result down to the nearest whole number.

General Public Health Measures for all Businesses, Organizations and Facilities, continued

Cleaning and Disinfection

Businesses or places that are open shall ensure that equipment, washrooms, locker rooms, change rooms, showers that are accessible to the public are cleaned and disinfected as frequently as is necessary to maintain a sanitary condition.

Face Coverings

Businesses or organizations must ensure that masks or face coverings are worn by any person (including members of the public and workers) in the indoor area of the business or organization, with limited exceptions.

Safety Plans

Requirement for all businesses open to prepare and make available a [COVID-19 safety plan](#). A copy of the plan shall be made available to any person for review upon request, and be posted where it would come to the attention of individuals working in or attending the business.

(UPDATED) General Public Health Measures for all Individuals

Stay-at-Home

Physical Distancing

Every person in a place of business or facility that is open to the public shall maintain a physical distance of at least two metres from every other person except from their caregiver or other members of the person's household, with limited exceptions.

Face Coverings

Every person in the premises of a business or organization that is open shall ensure that they wear a mask or face covering that covers their mouth, nose and chin, when they are in indoor areas of the premises, with limited exemptions.

Accessing Closed Indoor and Outdoor Recreational Amenities

No person shall use an indoor or outdoor recreational amenity that is required to be closed.

Organized Public Events and Social Gatherings (including Religious Services, Rites or Ceremonies), Schools, Child Care, Post-Secondary Institutions and Day Camps
