

Please note the following amendments to operations at waste sites:

Masks on Site

-) Effective January 15, 2021, masks are now required to be worn when at a waste facility if exiting your vehicle.
-) This is to align with Provincial recommendations and to protect the vulnerable in our community.

Hours of Operation

-) There are no changes to hours of operation at any site. Waste Sites are currently operating under normal winter hours.

Accepted Materials:

Scotch Line Landfill:

-) All waste types are currently being accepted at the Scotch Line Landfill.
-) Tipping fees will apply.

Ingoldsby Transfer Station:

-) Ingoldsby Transfer Station will resume acceptance of brush.
-) Tipping fees will apply.

All Other Sites:

-) Iron Mine and Little Gull sites are accepting bagged household waste (up to 3 bags per week), blue box recycling and scrap metal.

Practicing Safe Site Usage

-) Sites are experiencing higher than normal volume this year; please be patient and wait for space to open up at each drop off location before proceeding to dispose of waste.
-) Maintain social distance from site staff and other site users.
-) We strongly encourage you to use hand sanitizer after attending the site, and to thoroughly wash your hands as soon as possible.
-) Avoid touching railings, bins, door handles and other objects on site.
