Release #18-07

**SUBJECT: Notice of Road Closure – Salerno Lake Road and Bridge**

Please note that Salerno Lake Road and Bridge is CLOSED due to spring melt/flooding and wet road conditions. Signs and barricades have been placed at the intersections of Hancock Road and Bumblebee Lane. Residents needing to access their properties will need to use alternate routes.

Residents are asked to avoid driving on any roadways that are underwater, as road conditions may be unstable and dangerous.

A reminder that private roads are not being monitored by the Township and those residents needing to access these roads should do so with caution.

Please refer to the “Newsroom” or the **Road Closure App** on the Homepage of the Township’s website for information on road closures and important updates at [www.mindenhills.ca](http://www.mindenhills.ca).

Staff will continue to monitor the municipal roads accordingly and post updates as required.
