Release #19-49

**SUBJECT: Public Notice – Roads Re-Opening**

Effective immediately, **Milburn, Mark Twain and Conway Roads are re-opened** to traffic. Many of the local ditches are holding water, and residents are reminded to stay clear of these areas.

A reminder that private roads are not being monitored by the Township and those residents needing to access these roads should do so with caution.

Avoid driving on any roadways that are underwater, as road conditions may be unstable and dangerous.

The Snowmobile Bridge will be moved once the water levels in the Gull River have decreased to a sufficient level to allow for staff to operate in a safe manner.
