Release #20-22

Subject: Minden Hills COVID-19 Thank You!

Minden Hills Council and Staff would like to thank all of the dedicated health care providers and front-line workers who have been working diligently to keep our community healthy and safe.

We would also like to thank our amazing community; the volunteers, employees, family members, individuals, neighbours, and services who have been supporting each other by taking the necessary actions during this COVID-19 pandemic. Your actions have allowed others, such as seniors and other at-risk individuals, and those returning from travel, to remain at home safely.

We all have an obligation to reduce the risk of spreading COVID-19 to our families, friends and neighbours. Please do not underestimate the impact that your actions will have in helping to stop the spread of this virus.

The Township of Minden Hills encourages social and physical distancing measures as a way to minimize COVID-19 transmission in the community. This means minimizing close contact with others during this outbreak. The health and safety of the community is our priority and we will continue to provide updates as information becomes available to us. We encourage everyone to visit our website at www.mindenhills.ca, as well as the following websites, for up to date news and information:
