Spring Maintenance for Trent-Severn Waterway Bridges

PETERBOROUGH, ONTARIO, May 12, 2020 – In the coming weeks, Parks Canada will be conducting spring maintenance at some of our swing bridges and sites along the Trent-Severn Waterway, in preparation for the 2020 navigation season. This includes preventative maintenance tasks like washing and greasing swing bridges and conducting visual inspections to ensure their safe operability.

Temporary Bridge Closures

Parks Canada would like to advise residents and visitors of the following temporary bridge closures for regular spring maintenance, weather permitting:

May 19	Maria Street Swing Bridge (Peterborough)	9:00 AM – 2:30 PM
May 20	Warsaw Road Swing Bridge (Peterborough)	9:00 AM – 2:30 PM
May 21	McFarlane Street Bridge (Peterborough)	9:00 AM – 2:30 PM

Traffic Delays

Seasonal maintenance on certain bridges that cross the Trent-Severn Waterway will not result in closures, but vehicles may experience short delays of about 10 minutes:

May 15 to June 1	Carrying Place Swing Bridge Ranney Falls Swing Bridge (Campbellford) Hastings Swing Bridge Bobcaygeon Swing Bridge Bolsover Swing Bridge Boundary Road Swing Bridge Lakeshore Road Swing Bridge
------------------	---

Motorists are asked to plan their routes accordingly in order to avoid delays. Parks Canada wishes to thank the public for their patience during the maintenance period.
